John Brewer
Executive Program Developer

Repeatedly, Allan is rated by our delegates as one of their most favourite speakers.

Ryan Jacobson
Chief Executive Officer

Allan WILL...

Inspire individuals to examine their own wellness while challenging them to create change from within

Teach people how to proactively approach someone in emotional distress

Shatter the stigma surrounding mental illness to promote an understanding and supportive environment

Empower people to reach out for support to strengthen their mental wellness

Allan is one of Canada's most sought-after speakers when it comes to the topic of mental health. He has stood on more than 500 stages and is recognized for his **dynamic** and **captivating** approach.
